| ✓ Patient falls/falls w/ injury | ✓ Staff mix |
| ✓ Pressure ulcer rate | ✓ RN Education/Certification |

2008 NDNQI Award Winners Said:

“This award really is a testament to the commitment, dedication and compassion of the nursing staff to ensure that we have exceptional quality of care and that we have outstanding patient outcomes.”

2008 NDNQI Award Winners Said:

“It will reassure our community that if you’re coming to our hospital, you’re going to get great care.”

2008 NDNQI Award Winners Said:

“Winning the NDNQI award means that our staff is making a difference every day at the bedside, that we are preventing complications, that we are promoting patient safety, and that our commitment to professional nursing practice is happening.”
