

Haiti Disaster Relief Fund

- The American Nurses Association (ANA) is encouraging donation of much needed funds to the Haitian relief effort. The money donated will go toward disaster relief, including rebuilding the Haitian nursing infrastructure and assisting the National Association of Haitian Nurses Association *Nationale des Infirmieres Licenciees d'Haiti*.
- Your donation with cash, check or credit card will be accepted at the ANA and ANF booths during the NDNQI Conference.

4th NDNQI® Data Use Conference

Mary Jean Schumann, MSN, MBA, RN, CPNP
Chief Programs Officer, American Nurses Association

Isis Montalvo, MBA, MS, RN
Director, National Center for Nursing Quality®

New Orleans

Unique...

Original...

One-of-a-kind

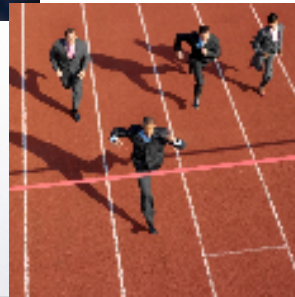

... On the Cutting Edge

Ahead of the Curve

Eye on the Future

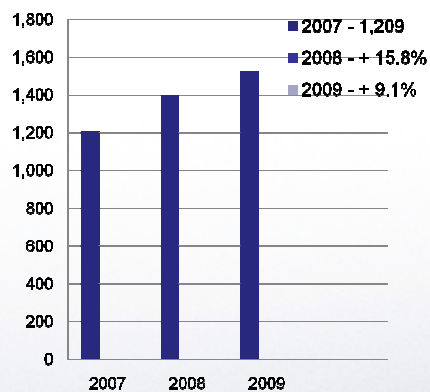

Edge on the Competition

NDNQI's Participation Is Growing

- 1,527 participating hospitals as of December 2009
- 1 out of 4 hospitals nationwide
- 300+ new hospitals from 2007 to 2009, a 25% increase
- Program launched in 1998 with 30 hospitals

NDNQI® Hospital Participation Growth 2007 - 2009

NDNQI® → Evidence-Based

- Compare performance at nursing-unit level to similar hospitals
- Set organizational goals based on industry-wide benchmarks
- Correlate staffing levels/nurse skill and experience mix to patient outcomes
- Measure nurse job satisfaction and perception of work environment → patient outcomes

National Center for Nursing Quality® (NCNQ®) Initiatives

- NDNQI® Research Council
(online proposal submission: www.ncnq.org)
- Collaborations
 - Nursing organizations – strengthen policy voice
 - National Quality Forum/National Priorities Partnership
 - AMA – Physician Consortium for Performance Improvement®
