NDNQI: Defining and Pursuing Excellence

- 🔥 **Compare performance** at nursing unit-level;
- 🔥 **Set organizational goals** based on industry benchmarks;
- 🔥 **Correlate workforce characteristics** to patient outcomes;
- 🔥 **Measure nurse job satisfaction** → improve nurse retention

The Nursing Quality Network

New initiative of
ANA's National
Center of
Nursing Quality

**Nursing
Quality
Network**
An ANA Learning
Community

Nursing Quality Network

- A **network of nurses**, working and learning together
- **Creating** and **disseminating** knowledge
- **Improving quality** of care and **patient outcomes.**

Win a Prize at the ANA Treasure Chest!

Bring your key to the ANA booth (located in River Front Hall) for your chance to open the **ANA Treasure Chest!**
